

# World Bowling Score Doubles

May 19<sup>th</sup> & July 21<sup>st</sup> of The ABC Eliminator

Introducing one of our newest leagues: World Bowling Score Doubles

It will also be used 2 weeks in The ABC Eliminator on Friday nights

The type of scoring used is called “Current Frame Scoring” and this scoring is used on the World Bowling Tour. It was designed to make bowling easier to understand and *higher scoring!*

How it works:

- There are 10 frames with the 10<sup>th</sup> frame being a regular frame.
- Max score is 300 but it only takes 10 strikes for the perfect game.
- 1 Strike = 30 pins
- 1 Spare = Count + 10 pins
- Open Frame = Count

Example

Frame	1	2	3	4	5	6	7	8	9	10
Ball	X	X	7/	72	X	9/	X	9/	X	X
Score	30	60	77	86	116	135	165	184	214	244
