Allstars League 2024-2025 Guidelines

- This is a guaranteed league, you owe the weekly league fee of **\$12**, regardless of if you are present to bowl.
- Weekly league fees are **\$12** and breakdown as follows: \$8.00 lineage, **\$4** scholarship.
- The league will bowl on Saturday mornings for 26 weeks starting **9/7/2024** and finishing **4/19/2025** followed by a paid end of season party and awards on **4/26/2025**.
 - See attached calendar for details
- The last 2 weeks of league need to be paid by **week #10 11/16/24**
- Practice starts at 10:00am and league play starts at 10:10am
- Every youth bowler in this league must be sanctioned with USBC. If not already sanctioned, bowlers must pay the sanction fee week 1.
 - **2024/2025 youth membership fee is \$10** per season (8/1/2024 - 7/31/2025)
- Youth bowlers do not need to make up missed games as a team but need to make up within 2 weeks of the missed date. Please schedule pre-bowl and makeups with the front counter.
- Tardy Bowlers - if a bowler arrives before the last bowler of the opposing team completes the 3rd frame, the tardy bowler shall be allowed to make up the missed frames and bowl the remainder of game; otherwise the bowler's average and handicap shall be used for the game and the bowler can bowl starting the beginning of the next game.
- If an entire team misses a week of bowling and does not pre-bowl or make up, the week will be counted as a forfeit and the opposing team wins all points.
- A bowler must bowl two-thirds of the season, 45 games, to be eligible for individual awards.
- We communicate all changes (including cancellations) and league updates via email, please make sure we have a good email address for you.
- Our email address is allstars.bowling@gmail.com - please add this to your contacts
- Please follow AllStars Youth Bowling League on Facebook for announcements as well
- Bowling shirts must be worn each week.
- No headphones, game systems or cell phone use during league.
- Fundraising is mandatory for all families -all youth bowlers have the potential to be awarded scholarships; therefore, all youth bowlers need to participate in fundraising. Fundraising helps us award more money to scholarships beyond the prize fund of \$ per bowler, per week.

Awards:

- If a bowler qualifies for more than one game or series, the bowler may receive only 1 award. Prizes will be awarded with handicap taking precedence over scratch and series over game. In the event of a tie, the players involved shall receive duplicate awards and will occupy the same place in the standings
- Scholarships are awarded based on team standings and individual achievements per division.
- We try to give all bowlers at least \$100 in scholarships each season, but the ability to fund the additional scholarships depends on fundraising participation.
- With the exception of the end of year party and bowling shirts, all funds raised are given back as scholarships. Youth Directors and coaches are all volunteers therefore are not paid for their efforts.

Arapahoe League Rewards Card - must show card for discounts

- Discounted practice rate \$4.00 per game, or \$12 for 3 games (check counter for availability)
