

Welcome Bowlers!

Welcome to the 40th Anniversary 2025 – 2026 League Season!

We would like to say ***Thank You*** for choosing to bowl this season with us! For those of you who are returning league bowlers, thank you for coming back. For those of you who are new to bowling league with us, thank you for joining us!

This year we are celebrating 40 years of business ~ 1985 – 2025... and counting! We plan to do some fun things to celebrate throughout the league season! The first thing planned is our **40th Anniversary Celebration on Saturday December 6th, 2025**. Details will be released soon but it's something you will not want to miss! We first opened our doors on December 5, 1985, and from day one, we have been dedicated to league bowling, tournament bowling and the sport of bowling. That is why our slogan is ***"The Place To Go For Real Bowling."***

Over the summer, we did our yearly routine maintenance to keep us clean and organized! Our Head Mechanic Chris Curran did a TON of maintenance to the 8270 Pinsetters to get them like new! We have a BRAND-NEW PIN which has raving reviews, they are from LINDS and made by Strikeforce. They are very durable, and we hope for lots of strikes!

We also have 2 lane machines! The BRAND-NEW Kegel Atlas Pro along with our Kegel FLEX Walker. These 2 lane machines are the best in the industry.

Parking lot was redone and that is something we do every other year. But of course, there are lots of stuff done behind the scenes that you may not be aware of but just know... we do it for all the bowlers!
